

## RICHMOND BASKETBALL TEAM CHAMPIONS OF CACHE COUNTY

Left to Right—Kneeling—VanNoy, Merrill and R. Stoddard.  
Standing—Shepard, Plant (Coach), Tripp and E. Stoddard.

Richmond, March 2.—Last Saturday the Richmond and Wellsville High Schools met in the B. Y. C. Gymnasium at Logan to play off their tie for Cache County high school championship. Each team had previously won one game from the other and excitement ran high and each team was determined to carry away the trophy.

The game was called at 3 p.m. The Richmond boys started off with such a rush that Wellsville's were carried on their feet but they soon recovered themselves and went into the battle to win. Richmond scored the first basket but were soon tied by their opponents. From then on the game was very nearly even but Richmond seemed to be a little too fast for their rivals and the first half ended with Richmond two points ahead.

In the second half the playing was even more exciting as Wellsville was determined to overcome Richmond's lead. The boys from the south were heavier but Richmond played faster and as a result won out on speed and teamwork.

The final score was 18 to 16 in Richmond's favor.

The lineup was as follows:

Wellsville	Richmond
Shepard	.....lf
Stoddard	.....rf
Tripp	.....c
Merrill	.....lg
Van Noy	.....rg

Referee—Coach Teetzel of the U. A. C. and comments were heard on all sides as to his extreme fairness as all concerned.

The Richmond five have played twelve games with our county schools and won ten of them. They are to be commended very highly on the splendid work they have done and the excellent ball they have played. Starting in last fall their prospects seemed rather shabby but Coach Plant immediately became determined to show Richmond some good ball and as a result Richmond again holds the championship of Cache County.

Four years ago the Thatcher clothing company of Logan offered a silver cup to the high school team winning the county championship. Richmond succeeded in landing this cup the first two years in succession. Last year seemed to be a bad season for Richmond and as a result they lost the cup to the Lewiston high school. However this year she came back and went after the cup in dead earnest and won it. The boys are in the best of condition and have arranged a final game with the Oneida State Academy of Preston in order to give their supporters a chance to see them in action before they disband for the season. This game will be played in the Richmond Opera House on Saturday, March 2, at 8 p.m. A large crowd is expected as this is the last chance to see the best high school team Richmond has yet had, in action.

Richmond, March 1.—On Saturday afternoon the Richmond and Wellsville Eighth grades will clash in our

Opera House.

On Tuesday the residence of Mr. Roy Burnham caught fire and was almost destroyed.

The funeral of Mrs. John McCartney was held in the Tabernacle on Monday at 1 p.m. It was a very impressive meeting, opened with prayer by Mr. John R. Thompson, after which the choir sang. The following brethren spoke very nicely concerning the purity of character of Mrs. McCartney: George O. Webb, S. W. Hendricks, Ute Griffith, Alfred Christensen and A. S. Schow. Mrs. W. R. Lawrence read a set of resolutions of respect drawn up by the primary association, of which the deceased was a member very highly respected. Mr. Sanson Webb sang "I know My Redeemer Lives" very beautifully. The benediction was offered by Brother O. H. Eckersley, after which interment was made in the city cemetery.

During the early part of the week Mrs. Wm. Merrill presented her husband with a fine girl. Mr. and Mrs. William Gosling are also rejoicing over the arrival of a little one.

It is stated that two of the young children of Alma Merrill are afflicted with scarlet fever.

Mr. John P. Johnson fell on Thursday and as a result is suffering from a broken arm.

The high school debating team are working hard preparing for their debate with the Lewiston high school which is to take place in Lewiston in the near future. The question to be debated is "Resolved that Capital Punishment Should be Abolished." The Richmond students will debate the negative side of the question. The Richmond team is Leroy Funk, Alvera Johnson, and Vera Merrill.

The high school this year is very active and is making great progress both in Literary and Athletic lines and with the team we have to represent us, we may expect results in our debates for championship.

Last Sunday the Mutual Improvement association of the Benson stake held their conference in Richmond.

On Thursday nearly all the girls working in the Utah Condensed Milk factory were dismissed on account of the factory obtaining machinery to do the work the girls were formerly doing.

It is rumored that the county is trying to form a baseball league. This is certainly a step in the right line as nothing will relieve the monotony of the summer more than a good baseball game once or twice a week. We hope that Richmond will get in and boost for the formation of a league.

The game between Preston Academy and the Richmond high school will begin at 8 p.m. sharp and a grand ball will take place immediately after the game. Come prepared to see the game and stay after to the dance.

Messrs. G. G. Hendricks and J. W. Funk went to Salt Lake City last week and heard the "Beacon Light" of the Democratic party speak. They report Mr. Bryan as giving a very interesting address.

Mrs. H. A. Adamson returned
